

# THRIVEGulu LIBRARY & RESOURCE CENTER

## ABOUT THE PROJECT

THRIVEGulu is uniquely situated to provide intergenerational literacy opportunities in post-conflict northern Uganda, where at least an entire generation has been deprived of an education. Our current adult literacy program has already helped more than 1,500 individuals learn to read and write basic English and Acholi.

Our THRIVERS want to share their new skills and passion for reading with their children and grandchildren, but they don't have the resources to do so. Books are scarce in Gulu, so families do not have enough access to them. Extending our literacy program from individuals learning to families sharing will help the community move beyond its lost opportunities toward a future with hope.

THRIVE embraces the power of holistic support services in all of our programs. In this new Resource Center, in addition to literacy programs, we will provide support services like counseling as well as access to informational resources and activities.

The Library and Resource Center will be able to provide opportunities such as:

- A place for new readers to read to their children and grandchildren, with culturally-appropriate books
- A facility for group trainings with modern technology like video-conferencing
- A meeting space for storytime for children and their teen parents
- A resource center for topics like parenting skills, HIV/AIDS, gender- based violence, & reproductive health
- A multi-media center that includes computers with Internet access for people of all ages, vital to job searching in 2021

# What You Can Provide

**\$2,500**

### MULTI-MEDIA EDUCATIONAL SPONSOR

Provide an individual technology station, complete with desk, chair, and computer... plus contribute toward lighting, internet, a projector, PA system, and digital cameras.

**\$1,000**

### BOOKCASE FILLED WITH BOOKS

Provide a wooden cabinet with a supply of culturally appropriate and/or locally published books for individuals and families to use at our center.

**\$500**

### READING ROOM

Provide indoor necessities such as soft seating, wooden chairs and tables, rugs, and materials for both individual and small group activities.

**\$250**

### OUTDOOR AMENITIES

Provide amenities for extending the center's use outdoors like mats, sunshades, park benches, patio space, and plastic chairs for group activities.

**\$100**

### ESTABLISH THE FOUNDATION

Establish your own physical legacy in Uganda and personalize a locally hand-made brick to be used in the construction
